ONLINE FOS CAMPAIGN MANAGEMENT SYSTEM

grandcanyonbsa.org/donate

*Detailed instructions and tutorial available online at grandcanyonbsa.org/FOS
Get account username and password and additional training from your Stake FOS Coordinator*

Benefits of Using the Online System

- Minimize paperwork
- Fast and easy way for donors to securely give online
- Useful for recurring gifts
- Designed to collect payments
- Assists campaign managers with recording and reporting progress
- Centralized portal where all concerned with campaign can check in and monitor progress
- Automatically connects a donor's gift to the correct ward or unit within the campaign
- Print pre-filled pledge cards with QR codes for each ward member
- Tool to effectively manage donor prospect list and track who has or hasn't given
- Improved accuracy of names and related donor information because managed by ward

Clarifications about the Online System

- Does not replace personal invitations to give
- Cash and check donations still require pledge cards
- Does not remove the need for follow up
- Not a donor's only option to give
- Not just a virtual campaign done through email and social media, although e-promotion helps
- Cash, checks and pledges should still be recorded into the online system by the campaign manager in order to make donation total complete
- Donors should remember to include ward name or troop number when submitting online gift
- FOS goal or target must be entered by Stake FOS Coordinator
- Support available through district executive and Stake FOS Coordinator

Easy Tip for Growing Your Ward Campaign

When you invite members to give, be sure to promote matching gift and volunteer grant programs offered through many employers. These company donations can all be added to your unit Friends of Scouting contributions, greatly enhancing your ward's combined investment in character. Easily look up program details for most employers at grandcanyonbsa.org/matching
