Unit Dues

The part that isn't visible...

Camps:

Maintenance and upkeep on our five council camps: Geronimo, Raymond, R-C, The Heard Pueblo and Lake Pleasant.

Camp Equipment:

Tent platforms, cooking equipment, vehicles, boats, shooting sports equipment, building and equipment repairs and replacement.

Camp Rangers:

To keep our beautiful camps meeting and exceeding National Standards.

Administrative Needs:

Computers, internet, copy machines and additional office equipment.

Membership Resources:

Everything from program planning kits to local camping information books. Recruitment materials and flyers.

Charter Fees:

For regional and national support, applications and brochures.

Insurance:

To protect our volunteers, chartering organizations, youth, staff and property.

Professional Staff:

At a ratio of one District Executive per 4,000 youth and leaders, our executive staff assists in creating new units, training, fundraising, membership recruitment, community relations, counseling and guidance for your district, camps and programs.

Volunteer and Staff Training:

Training for over 20,000 volunteers each year.

Recognitions:

For leaders who attend training, earn knots, volunteer for special projects and help in many roles throughout Scouting.

Support Staff:

Process over 66,000 youth and adult applications, over 1,200 Eagle awards and assist in publications, fundraising, special events and program support.

Service Center(s):

Utilities, insurance, repairs and care for our Phoenix office, Mesa Scout Store, Flagstaff office, Safford office and Yuma office.

Council Communications:

Our newsletter, website and information technology to keep everyone informed.

A/V Supplies:

Used in training, camp promotion, activities and much more.

Postage & Printing:

Correspondence to leaders, parents and youth.

The majority of costs in our Scouting programs, like running our camps, record keeping, materials, training programs, support staff and insurance are hidden beneath the surface, just like an iceberg. The part that isn't visible is what keeps the rest afloat.
