GRAND CANYON COUNCIL

College of Commissioner

Science

The College is designed to help commissioners go beyond Commissioner Basic Training, and expand their ability to apply the unit service philosophy with district operations, resulting in increased effectiveness of the individual commissioner.

This annual training event offers 4 levels of degree programs to allow you to grow and build your skills and effectively serve your Scout Units. In addition, you can take engaging classes which support your volunteer position and give you the opportunity to work toward your Continuing Education certificate.

Registration Will Open on

April 20th 2019

Early on-line Registration - Apr 20 - Sept 8 - \$25

Staff Registration - \$25

Late on-line Registration - September 9-18 - \$30

Walk in Registration - September 21- \$45
